 Plant It Pink Garden Walkway
Order Form for Engraved Memorial Bricks

The Meridian Garden Club invites the public to remember a loved one by purchasing an engraved brick to be installed in the walkway of the Plant It Pink Garden located in the Historical Village of Meridian Township. This garden is being developed to raise awareness of breast cancer and to provide a serene garden space for the community. Bricks may be ordered in honor of breast cancer survivors or in memory of breast cancer victims.

Groundbreaking for the Plant It Pink Garden took place during Breast Cancer Awareness Month—October 2016. The dedication of the completed garden is planned for October 2017. The number of engraved bricks will be limited by space availability.

The cost of a 4x8 inch brick is \$75.00.

The brick allows a maximum of three lines with a maximum of 15 letters per line. Spaces between names, commas and periods each count as one space. To order a 4x8 brick:
